Senate Bill 187: Comprehensive School Safety Plan Purpose

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

Assessment of school crime committed on school campuses and at school-related functions

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at Kerman-Floyd (front office).

Safety Plan Vision

It is the goal of all staff of Kerman Unified School District to provide a nurturing, safe and secure learning environment for all students, staff, families and community.

Components of the Comprehensive School Safety Plan (EC 32281)

Safety Committee

School Site Council Members.

Assessment of School Safety

Kerman Unified School District has a "Safe Schools Plan of Action" in compliance with the District's expectations and procedures. Parents and visitors must sign at the front office to get access to our campus. Classified and Certificated staffs are used to supervise and monitor our students. The school Administration and where available, Campus Security/On Campus Liaison are monitoring recesses and lunch times as well as before and after school.

Strategies and Programs to Provide and Maintain a High Level of Safety (EC 32281(a)1, items A-J)

1. All students and staff members are provided a safe teaching and learning environment.
 2. All students are safe and secure while at school and to and from school.
 3. District programs and approved community resources are made available to parents and students
 4. School provides the educational environment where students, parents, staff, and community members are notified in a manner that is respectful.
 5. Safety is discussed at our School Site Council meetings in order to ensure implementation of safety strategies or discuss additional concerns.
 6. Extremely secured campus, highly monitored and records are kept of individuals that visit our school.
7. All visitors report to the office and check in/out using the "RAPTOR" system.
8. Staff is kept up to date with school safety issues via the "REMIND" App on smart phone.
9. The FRESH After School program participates in Safety Drills organized and facilitated by the program coordinator. Completion of drills is verified by the site administrator.

(A) Child Abuse Reporting Procedures (EC 35294.2 [a] [2]; PC 11166)

1. All suspected child abuse incidents are reported to the county department of social services, child protective services.
2. Each incident is telephoned as well as put on the Social Service Suspected Child Abuse Report (SS8572 rev.7-87) form and mailed.
3. Police notification by Child Protective Services or school notifies police per directive of Child Protective Services.

(B) Disaster Procedures (EC 35295-35297; GC 8607 and 3100)

Disaster Plan (See Appendix C-F)

The dismissal of students from the school shall be governed by the emergency procedures outlined in this procedure guide and consistent with the Initial Response System. However, this policy does not preclude the exercise of professional judgment by an administrator when the circumstances of the situation indicate dismissal to be in the best interest of the student.

- A. Mass panic can be one of the greatest dangers to students. Staff members should remember that in times of stress, students will look for leadership to those who are normally in an authoritative position. REMAIN CALM, size up the situation and take action based on known facts and plans.
- B. Each teacher MUST KEEP THE REGISTER OR ENROLLMENT SHEET OF PUPILS READILY AVAILABLE AT ALL TIMES. The teacher will remain with students until directed otherwise.
- C. A well-prepared and tested plan for prompt and positive protection minimizes injuries and loss of life in a major disaster.
- D. In the absence of orders from the superintendent, each school principal is authorized and directed to implement plans as described herein or take such other action as may be necessary to save lives and mitigate the effects of disasters.
- E. During an emergency period or condition created by disaster occurrence students may only be released to parent, guardian or other adult specified on the Emergency Data Card. THERE SHALL BE NO EXCEPTIONS TO THIS POLICY.

Public Agency Use of School Buildings for Emergency Shelters

Procedures are in place to allow a public agency to use school buildings, grounds, and equipment for mass care and welfare shelters during disasters or other emergencies affecting the public health and welfare. The district or county office shall cooperate with the public agency in furnishing and maintaining the services as the district or county office may deem necessary to meet the needs of the community.

(C) School Suspension, Expulsion and Mandatory Expulsion Guidelines

Refer to the Student Parent Handbook

(D) Procedures to Notify Teachers of Dangerous Pupils (EC 49079)

Whenever a student is identified as violent or dangerous per E.C. 49079 the teacher will be informed by the Site Administration. The teacher shall keep this information in confidence and must not further disseminate it. However, if the teacher believes that the student is improperly placed (or is an immediate danger) these opinions (and related observations) should be shared with the Site Administration immediately. The Student Study Team, and/or District SARB should be used for referral or added support in such cases. The district office will insure that all appropriate actions are taken to identify, notify and support necessary interventions with regard to violent or dangerous pupils.

(E) Sexual Harassment Policies (EC 212.6 [b])

Sexual harassment of any student by any employee, student or other person at school or at any school related activity is prohibited. The principal and school staff will ensure that students receive age appropriate information related to sexual harassment. Students must be assured that they need not endure any form of sexual conduct or communication, including harassment because of sexual orientation. They must further be assured that they need not endure, for any reason, any harassment that impairs their educational environment or emotional well-being at school. They must be informed that they should immediately contact the principal or a trusted staff member if they feel they are being harassed.

School Suspension & Expulsion/Due Process: Any student who engages in the sexual harassment of anyone at school or a school related activity shall be subject to disciplinary action up to and including expulsion for all the schools of the Kerman Unified School District.

Failure to Report: Any employee who engages in, permits or fails to report sexual harassment shall be subject to disciplinary action up to and including dismissal. In addition, criminal or civil charges may be brought against the alleged harasser; sexual harassment also may be considered a violation of laws relating to child abuse.

School Reporting Procedure: Staff must immediately report complaints of sexual harassment to the Site Principal and/or the District Office. Staff shall similarly report any such incidents they may observe, even if the harassed student has not complained.

District Complaint Procedure: If a situation involving sexual harassment is not promptly investigated and remedied by the principal or designee, a complaint of harassment may be filed in accordance with the district's uniform complaint procedures or procedures for complaints concerning district employees. The Superintendent or Assistant Superintendent shall determine which procedure is appropriate.

Prohibition Against Retaliatory Behavior: Kerman Unified School District prohibits retaliatory behavior against any complainant or any participant in the complaint process. Information related to a complaint of sexual harassment shall be confidential to the extent possible, and individuals involved in the investigation of such a complaint shall not discuss related information outside the investigation process.

(F) School-wide Dress Code Relating to Gang-Related Apparel (EC 35183)

All students will be held to the Kerman Unified School District Dress Code Policy. Students who violate the dress code policy will be requested to fix inappropriate clothing, change into loaners, or call home to have proper clothing items brought to school. Parents may be called at home or work to bring appropriate clothing to school.

Gang-Related apparel is defined as apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 35294. 1)

California Education Code Title V, Section 302: A pupil who goes to school without proper attention having been given to personal cleanliness or neatness of dress, may be sent home to be properly prepared for school, or shall be required to prepare himself for the schoolroom before entering. Students may not wear clothing or hairstyles that will be disruptive to the educational process.

Refer to the Student Parent Handbook for additional information regarding dress code.

SCHOOL-WIDE DISCIPLINE POLICIES AND PROCEDURES

Kerman Unified School District has a comprehensive discipline policy. Without a school-wide discipline policy, it is difficult for students to know what is expected, and it is difficult for teachers to know how to handle problems. While effective discipline occurs within each classroom, an effective school-wide discipline provides the entire school with common expectations for student behavior and consistent guidelines for dealing with misbehavior. All disciplinary consequences are in accordance with the Education Code of the State of California.

Parents, community, and the Kerman Unified School District have worked together to provide students with staff, buildings, and equipment to help prepare students for a future of success. Kerman Unified School District is committed to giving students the best education possible and knows students will take special pride in keeping the school a showplace of educational opportunity.

Students are expected to assume the responsibilities listed below:

1. Attend class regularly.
2. Be in the assigned seat with all necessary materials when the tardy bell rings.
3. Treat every student and teacher with respect.
4. Follow the specific rules in each class.
5. Have pride and help maintain all school buildings and all school equipment and materials.

Message/deliveries for students will not be accepted during instructional time unless the Principal deems it an emergency.

Campus Rules:

- Students will treat other students, parents, staff, and visitors with courtesy and respect and respond quickly and obediently to supervising adults.
- Students will treat all school property and the property of others with respect.

- Students will remain at school throughout the day unless properly signed out by parents or others specified on the emergency card. Students will check in through the office upon return.
- Students are allowed to use the restrooms before and after school and during all recesses, or during class time with a pass from the teacher. Students should not be in the restrooms under any other circumstances. Loitering in the restrooms will not be tolerated.
- Students will walk on all concrete areas, unless directed otherwise by an adult supervisor.
- Students will use all playground equipment (i.e., balls, bats, jump ropes, swings, etc.) as it was designed and intended, unless directed otherwise by an adult supervisor. Misuse of equipment shows disrespect for property. Equipment being transported between rooms and playing areas will be carried appropriately and not dragged, bounced, kicked, or thrown.
- Students will refrain from speaking or writing inappropriate language (profanity or vulgarity) or displaying inappropriate drawings, lettering, or pictures (pornography, gang style symbolism, alcohol, tobacco, or drug related symbols, etc.). Such displays show disrespect for others.
- Soft drinks, gum, seeds, and spices are not allowed at school.
- Baseball mitts clearly marked with the owner's name, marbles, jacks, and Chinese jump ropes may be brought from home and used where and when as directed by the adult supervisors. Marbles may not be played for keeps.
- With permission of their parents/guardians, students may ride bicycles, skate boards, scooters, roller skates, or other devices to school. All such devices should be clearly marked with the name of the student and students should wear the appropriate safety equipment. Bicycles and scooters must be walked on campus and locked in the bicycle racks; all other devices must be turned in to the office or designated area for security during the day. The school assumes no liability for any such equipment or devices or for injuries resulting from their use.
- Cell phones may be brought to school but must remain off throughout the school day. Texting and camera/video functions may not be activated during the school day, unless prior permission from the principal has been given. The school is not responsible for damaged, lost or stolen phones. Cell phones may be kept in the office until the end of the school day.
- Students will not engage in pushing, shoving, hitting, fighting, spitting on others, threatening, intimidating, or verbally abusing others. Besides showing disrespect, such behavior is in violation of Education Code 48900 and will be treated as a serious violation.
- Playing cards, toys and/or electronic, battery operated games or devices, yo-yos, tops, and lasers must be left at home unless teachers request an item be brought for classroom purposes. The school is not responsible for any loss or breakage of toys brought on campus. Personal sports equipment, soccer balls, bats or baseballs must not be brought to school unless given special permission by the classroom teacher or principal. Unauthorized items will be taken away from students.
- Students are not permitted to have Permanent Markers and Sharpie Pens on campus.

Kerman-Floyd Elementary School Incident Command System

Incident Command Team Responsibilities

Standardized Emergency Response Management System Overview

The California Standardized Emergency Management System (SEMS) is designed to centralize and coordinate emergency response through the use of standardized terminology and processes. This greatly facilitates the flow of information and resources among the agencies participating in response to an emergency. SEMS consists of seven functions:

Incident Commander

The incident commander will oversee any school emergencies and relay any needed information to the District Office and parents. Parents will be kept informed via the Connect Ed system.

Planning/Logistics

The planning/logistics team will be lead by the assistant principal. This team will evaluate each emergency drill to determine how it can be improved so that the school is well prepared for any real emergencies.

District Contact Information

The District Office will be kept informed of the situation and relay any needed information to the appropriate agencies.

Site Operations

The lead custodian will take charge of any site operations as needed.

Student Release and Accountability

The senior secretary and attendance secretary will be in charge of student release and accountability.

First Aid

The LVN and health clerk will be in charge of any needed first aid until any outside services arrive.

Site Contact Information

The site contact information will be the number in which parents can call to find out updated information. Parents will be kept informed via the Connect Ed system with information as to where to call for updates.

Emergency Response Guidelines

Step One: Identify the Type of Emergency

The principal will determine the type of the emergency with the advisement from other office staff members and activate the Catapult Emergency System.

Step Two: Identify the Level of Emergency

The level of emergency will be determined, setting forth the necessary next steps.

Step Three: Determine the Immediate Response Action

The decision will be made in terms of who to call (police, fire department) and how to keep students safe (lockdown, evacuation).

Step Four: Communicate the Appropriate Response Action

The District Office will be informed immediately. A Parent Square (via Aeries) call will be sent out to the parents if necessary.

Types of Emergencies & Specific Procedures

Aircraft Crash

- 1) Call 911
- 2) Determine if any staff or students are in immediate danger. If necessary, evacuate to a safe area. All others are to remain at their assigned locations. Render First Aid as necessary.
- 3) Take roll and report results to the Principal/Incident Commander.

Animal Disturbance

- 1) Determine if any staff or students are in immediate danger. If necessary, evacuate to a safe area. All others are to remain at their assigned locations. Render First Aid as necessary.
- 2) If possible, the Site Custodian may assist in securing the animal. The animal may be confined to a secured area until it is removed from campus by the City Animal Control Unit.
- 3) Take roll and report results to the Principal/Incident Commander.

Armed Assault on Campus

- 1) Call 911
- 2) Institute Lockdown Procedures
- 3) Remain on Lockdown until "All Clear" is instituted by Police and/or Law Enforcement Personnel.

Biological or Chemical Release

- 1) If you become aware of potentially hazardous release or accident, notify the office immediately. Render first aid as necessary.
- 2) Determine if any staff or students are in immediate danger. If necessary, evacuate to a safe area. All others are to remain at their assigned locations. Render First Aid as necessary. If evacuation is not imminent, students and staff should remain in classrooms or in assigned areas.
- 3) Until ordered to evacuate, assume that a "shelter-in-place strategy" will be employed and do the following:
 - All students and staff are to remain indoors.
 - Turn off all heating and ventilation systems (HVAC).
 - All windows should be closed.

PESTICIDE EXPOSURE (Pesticide Drift)

- 1) If you become aware of potentially hazardous pesticide exposure, notify the office immediately. Render first aid as necessary.
- 2) Determine if any staff or students are in immediate danger. If necessary, evacuate to a safe area. All others are to remain at their assigned locations. Render First Aid as necessary. If evacuation is not imminent, students and staff should remain in classrooms or in assigned areas.
- 3) Until ordered to evacuate, assume that a "shelter-in-place" strategy will be employed and do the following:
 - Direct all students and staff to remain indoors until it is safe or directed otherwise.
 - Direct all heating and ventilation systems (HVAC) to be shut down.
 - Direct all windows to be closed.
 -

Bomb Threat/ Threat Of violence

- 1) The person receiving the threat should attempt to keep the caller on the phone, stall by saying "Sorry, I can't hear you", etc. Try not to cause concern on the part of your students. Pay close attention to the caller's words, voice, and any background noises. Ask the caller where the bomb is located, what it looks like, and when it is going to explode if possible to gain as much information for Police.
- 2) Contact the office and the Principal/Incident Commander.
- 3) DO NOT use radios or cellular telephones.
- 4) If deemed necessary, Incident Commander will call for evacuation.
- 5) An organized search of the campus may be conducted under the direction of the Principal/Incident Commander or Law Enforcement Agencies.
- 6) In the event that a suspicious object is located, all personnel should be kept clear of the area until Law Enforcement Agencies have evaluated the conditions.

- 7) Return to your normal routine only when the Principal/Incident Commander and the Law Enforcement Agencies are confident that any threat has passed.

Bus Disaster

The following procedures are for use by bus drivers and appropriate school administrators in the event of an earthquake, serious bus accident, or other emergency that occurs while students are on a field trip or being transported to or from school. This section addresses two possible scenarios involving a bus disaster: (1) an earthquake and (2) a serious accident or bus fire. It is important to note that drivers may need to make spontaneous, independent decisions based on the nature of the emergency, age of the children, location of the bus, and other unique circumstances to ensure children's safety.

Scenario 1 – Earthquake

- 1) Upon first indication of an earthquake, the bus driver should issue Drop, Cover, and Hold procedures to all students on the bus.
- 2) The bus should be moved away from all power lines, bridges, overpasses, possible landslide conditions, overhanging trees, or other dangerous situations.
- 3) The bus driver should set the emergency brake, turn off the ignition, and wait for the shaking to stop.
- 4) The bus driver should check students for any injuries and provide first aid, as appropriate.
- 5) In the event the bus is disabled, the driver and students should stay in place until help arrives.
- 6) The bus driver should contact the School Administrator and the District Transportation Director to report the location and condition of students on the bus.
- 7) The School Administrator will determine what additional appropriate notifications should be made and will brief the District Superintendent on the situation.
- 8) If the bus driver is instructed to resume the bus route, the driver should continue to pick students up. Students should only be dropped off if a responsible adult is at the bus stop.
- 9) If it is impossible to return to school, the bus driver should contact the School Administrator and remain with the children until further instructions are received.
- 10) The bus driver is responsible for all students who board the bus throughout the emergency.

Scenario 2 – Serious Accident or Bus Fire

- 1) The bus driver will park the bus in a safe location with the emergency brake set and the ignition off.
- 2) In the event of a fire, students and the driver should evacuate the bus immediately and move to a safe location away from the bus and traffic using available barricades (e.g., trees, cars) when available.
- 3) The bus driver will immediately call 911 and provide the exact location of the bus and wait for the arrival of emergency response personnel.
- 4) The bus driver should check students for injuries and provide appropriate first aid.
- 5) The bus driver should call the School Administrator and the District Transportation Director (refer to the Essential Contacts in the Appendices of this Plan) to report the location and condition of students.
- 6) The School Administrator will determine what additional appropriate notifications should be made and will and the District Superintendent on the situation.
- 7) The bus driver is responsible for accounting for all students throughout the emergency.

Earthquake

A. INSIDE SCHOOL BUILDING:

- 1) The teacher, or staff member in authority, will implement action, "DUCK, COVER AND HOLD." Stay inside building until the shaking stops.
- 2) Try to avoid glass and falling objects, areas where there are large panels of glass and/or heavy suspended light fixtures.
- 3) Do not use telephones.
- 4) Implement action, "LEAVE BUILDING." Over intercom, when instructed to do so, after the earthquake is over and tremors have subsided. Special consideration should be given to exit routes as some exits have heavy roof structures over the doorways. Go to an open area away from trees, power poles, etc.
- 5) Avoid touching electrical wires and metal objects such as chain link fences.
- 6) Render first aid if necessary.
- 7) Take roll and report results to the Principal/Incident Commander.
- 8) Activate a buddy system and determine needs of neighboring classrooms. Listen for directions.

- 9) Principal/Incident Commander to request assistance through school district channels. Notify the District Emergency Operations Center of any breaks in utility lines.
- 10) The Superintendent/Designee will determine the feasibility of closing the school, based on the report of the Principal/Incident Commander

B. IF OUTSIDE SCHOOL BUILDINGS:

- 1) Move away from buildings, playground equipment, utility poles, signs, trees, metal fences, exposed wires and wet areas.
- 2) The safest place is in the open. Stay there until the earthquake is over.
- 3) DO NOT RUN! "DROP AND TAKE COVER!"
- 4) Follow procedures 3 through 10 under "Inside School Building."

Explosion or Risk of Explosion

The Board prohibits, at any District school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.
