

# Ed Services Update

January 2022

## New Year – New Faces

The Educational Services Department welcomes a couple of new faces:

**Edelmira (Memi) Chavez** is the new Secretary II for PPS, as Lucy Villarreal was promoted to Senior Secretary, taking the place of recently retired Maria Solorio.

**Kyle Davis** is the new Behavioral Specialist for Kerman Unified. He will be housed in the Educational Services Department, working directly with Dr. Lira to help our students with the most serious behaviors. He is also well-versed in MTSS and will play an active role on the team.

## Professional Development for January

Please remember that it is the responsibility of the site to secure the substitutes. The reason is “staff conference/development”.

**Due to the recent surge, the January 11 and 18 workshops have been canceled.**

**January 26** – Instructional Technology PD for site admin and designated teacher from 8:30 to 2:00 pm @ District Office Main Conference Room

**January 31** – 8<sup>th</sup> Grade Science @ Scout Island ALL DAY

**NOTE: If the site is short subs on the day of the PD, some staff members may need to forgo the PD and remain at the site, at the discretion of the site principal.**

## Mindful Moments of the Month

Don’t forget to take a few minutes to relax during the hectic and stressful days.

- Humorous Video:
  - <https://www.youtube.com/watch?v=ZDtZ2YOEyIY&t=1s>
- Triangle Breathing:
  - <https://www.youtube.com/watch?v=u9Q8D6n-3qw&t=23s>
- Jelly Cam:
  - <https://www.montereybayaquarium.org/animals/live-cams/moon-jelly-cam>
- Headspace 1-Minute Meditation:
  - <https://www.youtube.com/watch?v=c1Ndym-lsQg>

## Social Emotional Learning

Thanks to the generous grant from Kaiser, staff members were able to receive professional development on self-care and student wellness. These workshops were just the start of addressing SEL for both staff and students. More training and programs will be coming soon.

We are also offering SEL training for parents via Parent University. Flyers have been sent to all sites for distribution. Parent Square messages have also been sent.

## Benchmarks

On the attached page you will see the districtwide results of the initial Fastbridge assessments, which were taken during the first quarter. This data will serve as our baseline and will be compared to the results of the second assessment, which is currently being administered, and the third assessment, which will be administered in the spring. As teachers review their own students’ results, those in the “high risk” range are the ones who should be receiving interventions and after school tutoring.
